

A Premiere Musical Comedy Extravaganza!

True accapella singing is where it all began. The show begins in the 1950's Doo -Wop era, reminiscent of the PBS TV series we are all so familiar with. It then moves into the great golden age of Rock and Roll as the talented vocal troupe pay tribute to some of the most famous vocal groups of all times.

The Drifters, The Coasters, The Platters, Danny and the Juniors, Bill Haley and the Comets, The Everly Brothers, and so many more! If you like She Na Na, Happy Days, and American Graffiti you will love

“The History of Rock and Soul! “

The Four Seasons “**Jersey Nights Tribute** “ is a major show stopping highlight. We then take you back to Motown Sounds, The Beach Boys, and right through to the Blues Brothers. Who can forget the 1970's as we disco with the Village People, and other favorites.

Come join the fun in this fast pasted musical dance party.
