Heritage Style “ High Tea with Mrs. C”

High Tea with Mrs.C! Create a seated area almost anywhere. Serve up the tea, scones, and yummy tarts. Offer selfies with the Grand Lady, or ask us for our digital photography package to be included.

We offer a number of packages available for private or corporate events. Whether you are a Radio station promoting a charity drive, and office complex, or just a company that wants to say thank you to their employees, reach out and call Mrs C. The event is also a great opportunity for Sponsors if you have a cause or charity drive.

The concept of “High Tea “ avoids the complications associated with drinking. It is also an all generations event, that brings people, co-workers and families together. Get creative, and call us at the North Pole’s hot-line. We can help you on any and all levels. Mrs C. has a personal baker known for her award winning scones, brownies, tarts, and treats. Create your own hat rack.....and run a contest for the best Holiday Hat! Add our one man band for ambiance, or maybe request our finest Carolers. It is all available through Mrs. C

So where is Santa? Father Christmas or as we like to say, Ole St. Nick, is also available “ High Tea with Santa and Mrs Claus”. Oozing with tradition, they look like they just stepped out of a Victorian story book.
